Happenings at Headquarters

April 23, 2004

We send you greetings in the name of Jesus. We had a wonderful Lord's Supper. I hope yours was the same. We will finally be getting our order of song books on Monday. The Advocates for May are sitting in the mail bags waiting to be mailed on Monday. The fourth quarter Quarterlies have been mailed to the foreign fields, and we plan on adding them to the web site this month. We are working ahead on the Advocates.

The printing press was acting up a little this month, and we had to have a service representative come and do some maintenance on it. The repairs on our roof have been completed. A rubberized roof was put on the Publishing House.

Our upcoming semiannual meeting in June is just around the corner. This year it will be held June the 6th here at the Publishing House. Ministers from all over the United States, Mexico, Panama, The Caribbean, and Canada plan to be in attendance. Please pray that everyone has safe travel to and from the meeting.

We wish to thank you for your Lord's Supper offering and your continued support for the work. We know that the Lord will soon come (in His own time), but we want to make sure we are ready at a moments notice, because that is all the time it will take to be changed and caught up to meet Him in the air when He returns. We see much turmoil going on in the world today, but all these things were predicted before Jesus's return.

Thank you for your prayers, and please continue to pray for us.

Yours in Jesus's name,

Delwin DeLong
Secretary of the Twelve
