Happenings at Headquarters

August 30, 2005

We send you greetings in the name of Jesus. We just got brushed by Hurricane Katrina with a little rain and mild wind. Our hearts go out to those on the Gulf Coast that felt the major brunt of the storm.

The September Advocates were sent out last week. The post office did an audit of that mailing, and everything went well. The web site has been updated with the current Advocate, and we are way ahead with the Quarterlies on the site. Ben is still taking care of the web site for us.

We moved Ben and his family to the Martinsburg, WV area where he wants to start another church. It is about 3.5 hours drive from here. They are doing well.

We got our new computer for E-mail. It was a very good bargain, and it is serving well. On Saturday evening, we had a program for the young people at Sportsman's Lake. We all had a very good time.

We are presently working on the October edition of the Advocate. It will soon be ready for printing.

We hope this letter finds you well. We are fine here. Thank you for all your contributions to the work. Please, keep us in your prayers.

Yours in Jesus's name.
