## Happenings at Headquarters

*February 22, 2004*

We send you greetings in the name of Jesus. We have just one week left in February. Tomorrow we will be mailing out the March Advocate and the third quarter Quarterlies for the United States. They have been sorted and are waiting in the mail bags. We have received over 20,000 Advocate envelopes this week, and Brother Fred is in the process of printing the return address and the word "periodicals" on them. The Advocates and Quarterlies are mailed under the periodicals rules set forth by the post office. We have to make out special forms for each of these mailings.

We will also be updating the web site today, so the latest version will be on-line Monday. We are keeping very busy as usual.

The weather here has finally started to warm up and the snow is gone. Spring will soon be here, and the time for the Lord's Supper is fast approaching. This year it will be held on Saturday evening, April 3, 2004 (Roman time) after sunset, which is the beginning of April 4th (Bible time).

Satan always tries to hinder the work, but God is much stronger. Through trials we become stronger, too. As long as we put our trust in the Lord and keep it there, we will be successful.

Except for a few colds, we are doing well. Thank you for your prayers and continued support. Please continue to pray for the work here and throughout the world.

Yours in Jesus's name,

Delwin DeLong  
Secretary of the Twelve
