Happenings at Headquarters

June 28, 2005

We send you greetings in the name of Jesus. This month has been a very busy one for us. Bud Randall and I just got back from our trip to Hawaii and the Philippines. We had a very successful trip, although the travelling was very bumpy on almost all our flights, and we suffered from a terrible cold, we accomplished a great deal on this trip. The brethren were wonderful wherever we went, and the fellowship with the brethren was great. In the Philippines, we found the brethren there very impoverished. I am asking on their behalf for any contributions that you could spare to be sent to the Publishing House, and it will be forwarded to them for a special help. There are over 70 local churches around the islands, and there is a great need for financial help. We had a wonderful week with the ministers in ministerial council meetings, and on Friday and Sabbath we had a great time in general meetings with the brethren. Thank you for your prayers on behalf of this trip.

We sent out the July Advocate on Monday, and we are in the process of printing the August edition. We also printed the first quarter Quarterlies for 2005, and have sent them to the foreign fields. We are in the process now of getting the second quarter ready.

We had a very successful general meeting here in Salem. A lot was accomplished for the work of the ministry both here and abroad. The brethren had safe travel, and once again, we thank you for your prayers.

Thank you for your faithfulness, and please continue to pray for the work here and throughout the world.

Yours in Jesus's name.
