Happenings at Headquarters

November 20, 2003

We send you greetings in the name of Jesus. This past month has gone by rapidly. We have finished the December Advocate, and they are in the mail bags ready to be mailed Monday morning.

Ben and I have been working on the church web page. It is a big project. The web site will go on line December first. It is still a work in progress, but we have a lot accomplished on it. We have a computer here at the Publishing House dedicated only to the web site. It is hooked into our work computers so we can input data here. The work is then saved on a disk and is transferred to the web computer in Fairmont. From there it is put out on the internet. We have a lot of storage space, so our web site can handle a lot of material. We will have tracts, Quarterlies, and Advocates on it, as well as many church topics, frequently asked questions and studies. The reader will be able to travel from one linked page to another and will be able to E-mail us directly from it. The home page is quite eye catching as you will soon see. The address is: churchofgod-7thday.org

Brother Fred had to have a pace maker for his heart put in this month, and we wish to thank all of you for your prayers on his behalf. He is doing well.

We are keeping quite busy as the time for our December meeting gets close. It will be held in Seagoville, Texas on December 7th. Please pray for its success, and for the safe travel of the brethren. We have sent out the Thanksgiving cards, and you should have received them by now.

We wish to thank you for your faithfulness, and please continue to pray for the work.

Yours in Jesus's name,

Delwin DeLong
Secretary of the Twelve
