Happenings at Headquarters

October 28, 2004

We send you greetings in the name of Jesus. Could it be the end of October already? It won't be long before the Minister's meeting will be upon us. We have successfully mailed the November Advocate on Monday and are presently finishing the December issue now.

We had a campfire sing last Saturday evening which was a great success, and we passed out 500 lollipops with invitations for people to come to church and study with us earlier this month. We are also having Bible studies during the week.

Brother Tim Buechner travelled to Grenada to aid the church victims from the devastating hurricane, Ivan, that slammed the island as a category 4 storm. He brought money from the various churches to help them in the rebuilding process. It affected almost everyone of our members and the three churches there. Many of the brethren's home were totally wiped out, and many lost their roofs. The agricultural products were also destroyed. We have sent additional funds from our local church here and the church in Florida. They still have very many needs. If you would like to donate, you can send the funds here, and we will send them right down to the brethren by way of bank transfer.

Please keep them in your prayers as well as all the work around the world. Thank you for your dedication to the truth.

Yours in Jesus's name.
